

In the rug space behind you move the table off the rug and get ready to give the nail people a 30 second show.

Touch the link below and study the 25 second music video.

TOUCH TO WATCH VIDEO

Then, connect a phone to the speaker in your bag via Bluetooth and crank up the volume. Place the speaker on the ground at the edge of the carpet nearest to the nail salon.

Inside the carpet area, facing the nail salon, all but one person will reenact the music video complete with singing and dancing. You may use the music video as a background track.
